

Yuria! Thanks for coming on time!

Yuria! Thanks you for looking out of Yuria!

Must work harder! Don't you agree all the body should!

You shouldn't have an attitude like that, you know!

That person isn't that easy to be proud in front of!

Don't change the subject. I'm not praising you!!

Yuria worked really hard today.

You
did well,

I can see
two zms
coming from
a white
house...

After this, you
have a shoot
and interview
with a magazine.
After that, is a
recording for
a late night
program.

If you're
thinking
about
biting my
zms- I'm
ignoring
you for the
rest of the
city.

I want
to bite
them.
